## Coalition America Receives Make-A-Wish Foundation® Award for Cumulative Lifetime Giving

ATLANTA--([BUSINESS WIRE](#))--Coalition America, Inc. (CAI) was awarded the *Chris Greicius Society of Strength Award* by the Make-A-Wish Foundation. This award recognizes giving of \$100,000 or more. CAI is the first recipient to receive this award from Make-A-Wish Foundation® of Georgia and Alabama, Inc.

“The granting of a wish lets a child with a life-threatening illness know there is someone who cares about them and wants to give them hope, strength and joy after all they have endured. CAI along with its founders, Sean and Scott Smith, truly care and have granted nineteen wishes. They join a select group of donors nationwide who have generously donated a total sum of \$100,000 or more. We are very grateful for their support,” said Kathy Hammond, President and CEO of Make-A-Wish® Foundation of Georgia and Alabama.

“One of the core values our company tries to emulate is that of giving back to the community. Through Make-A-Wish, we feel we can have an impact on the lives of children and their families. Many thanks are extended to the fine people at Make-A-Wish who make these wishes come true for children who are desperately ill. CAI has enjoyed a long and rewarding relationship with Make-A-Wish, and we look forward to working with them in the coming years,” said Sean Smith, Chairman of Coalition America, Inc.
